

Distinctive Neighborhood Program Community Meeting

Thursday October 1, 2009, 6:30PM - 8:00PM
Dr. Martin Luther King, Jr. Library Room 225/229 (second floor)
150 E. San Fernando Street, San Jose CA 95112

PURPOSE

Present and get community input regarding the implementation of two policy options for the Distinctive Neighborhood Program.

BACKGROUND

City staff developed four potential policy options to establish the Distinctive Neighborhood Program aimed at providing further protection and enhancement to San Jose's unique residential neighborhoods. These options were presented to the City Council on June 2, 2009. The Council unanimously accepted the findings of all four policy options and approved funding for the implementation of the following two Distinctive Neighborhood Program policy options:

- Require a Planning Permit Citywide to Demolish Older Homes
- Conservation Study Area
